# A140 TROLLEY DOCK

## Features & Benefits

A140 Trolley dock duplicates most of your computer's ports and provides extra ports. With peripherals such as a keyboard, mouse, monitor, and printer all connected to the office dock, you have a handy work area on your desk or diagnostic environment. The adjustable latch also provides multiple viewing angles for the A140. This product consists of a base dock and an adapter. The two should be assembled before usage.

# PROTECTION FILM

**Glacier Computer**  
603.882.1560 Ext. 6  
[sales@glaciercomputer.com](mailto:sales@glaciercomputer.com)  
[www.glaciercomputer.com](http://www.glaciercomputer.com)

## Features & Benefits

This screen protection film is cut precisely to fit the A140 tablet and is easy to install and remove without leaving a sticky residue. With anti-glare coating, it not only protects the screen from the rigors of daily use but also helps to diffuse light on the screen and reduces glare, providing effortless readability for displayed information under common ambient lighting conditions.
