

xTablet A1180

Compact, lightweight, rugged tablet for those on the go

Highlights

10.1" Sunlight Viewable Display

Android 9.0 O/S

Hot Swappable Battery!

IP65 Sealed

Ultra Rugged

Introducing the A1180, with next level Android performance built on the A1150's proven tough, rugged exterior. All the reliability you know and trust is now powered by the more than capable Rockchip RK3399 processor, and at only 2.64lbs, the compact, lightweight design will help you navigate the work day with ease. With its 10.1" high definition sunlight viewable display and hot swappable battery, this powerhouse is designed to work as hard as you do, inside or out. Engineered to accommodate additional productivity enhancing peripherals make the A1180 the perfect rugged solution to keep pace with the ever growing needs of your mobile workforce.
