

Image shown includes optional MSR

xTablet T8650

The feature-rich rugged tablet perfect for warehousing, retail and beyond.

Highlights

Lightweight rugged performance

High capacity battery

Optional integrated MSR

Optional Honeywell Scanner

Extreme versatility

Value-priced

Improved Bluetooth, GPS, WiFi

Versatile mounting capabilities

Recent upgrades to the T8650 position it as one of the most feature rich, value-priced rugged tablets on the market today. Improved Bluetooth, GPS and WiFi performance is included along with 8GB of RAM, double its predecessor. Additional productivity enhancements include an optional integrated MagTek® Magstripe Reader, hot swappable battery, and the world-class scanning capability of Honeywell's N6703 barcode scanner. The T8650 is a tremendous value that is loaded with the versatility and features needed to achieve more in many demanding industries such as retail, warehousing and beyond.
