

**Table 1. End-of-Life (EOL) Milestones and Dates for the Getac EOL Product, Getac T800G2 and T800G2-EX.**

Milestone	Definition	Date
End-of-Quotation Date <sup>(1)</sup> :	The last date to configure the product and service attachment through Getac E-Quotation system. Customers should submit quotation request and demand forecast for the EOL Product before this date.	2024/10/31
End-of-Sale Date <sup>(2)</sup> :	The last date to order the EOL Product.	2024/11/30
End-of-Sale Date for User Replaceable Accessories <sup>(3)</sup>	The last date to order the user replaceable accessory for the EOL Product.	2024/11/30
Last Ship Date <sup>(4)</sup> :	The estimated ship date for the order received before the End-of-Sale date.	2024/12/28
End of New Service Attachment Date:	For EOL Products purchased that are not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add such purchased equipment to an existing service-and-support contract.	2025/6/28
End of Getac Software Maintenance Releases Date:	The last date for Getac's engineering to potentially issue any final Getac's software maintenance updates or bug fixes for the EOL Product. After this date, Getac Engineering will no longer develop, repair, maintain, or test the product software.	2027/12/28
End-of-Sale for the Spare Parts <sup>(5)</sup>	The last date to order the spare parts for the EOL Product.	2029/9/30
End of maintenance service date	The last date to receive applicable service and support for the EOL Product is determined by active service contracts or warranty terms and conditions. After this date, all support services for the EOL Product will cease.	2029/12/28
