

Light, Fast, and Rugged.

PrintekMobile FieldPro 530L printers enhance operational efficiency and productivity across warehouses, retail sales floors, on the road, and at customer sites. Engineered for reliability and ease of use, the 530L produces crisp, professional-quality labels, receipts, tickets, and field sales documents automatically—helping teams work faster and with greater confidence wherever the job takes them.

FieldPro 530L

The FieldPro 530L is compact, lightweight, extremely fast, and your best choice for 3" label and receipt printing.

It's advanced printer design makes it perfect for all 3" receipt, work orders, labels, or ticket printing needs. The FieldPro 530L printers are available in USB, Bluetooth, and Wi-Fi versions.

Powerful, compact productivity

The FieldPro 530L printer is smaller, lighter, faster, and more feature rich than competitive models. Many of the advanced features that make up this rugged mobile printer will help your mobile workforce become more productive.

- Easy-to-read control face and simple drop-in paper loading.
- The FP530L quickly prints a wide variety of documents.
- IP54 rated for water and dust resistance.
- Rated for repeated 6-foot drops to concrete.
- 5 ips super fast print of tickets, labels, receipts, and more.
- Extensive fonts, character sets, barcodes and graphic capable.
- Printer configuration via web based interface.
- Full shift printing with the latest battery technology.
- Compatible with Windows, Android, and iOS Bluetooth.
- Emulations for drop-in replacement for any mobile printer.
- **Industry best warranty - 3-years!**

Leadership that leads the way

For over 40 years, Printek has fulfilled the business printing needs of organizations worldwide. We've led the industry with mobile printers designed to improve productivity and increase ROI. Plus, they include PrintekMobile's unparalleled level of customer support. Our clients say it's the best in the industry. So why not join them, and find out for yourself.
