

FieldPro 541

The FieldPro 541 is compact, rugged, extremely fast, and your best choice for 4" receipt, label and ticket printing.

Featuring an advanced design, the FieldPro 541 is perfectly suited for all 4" receipt, work order, label, and ticket printing applications. It's available with USB, Bluetooth, or Wi-Fi connectivity to fit your workflow.

Fast, and Ruggedized Simplicity.

PrintekMobile FieldPro 541 printers are built to keep business moving—anywhere the job takes you. Designed for professionals on the road, in the field, or at customer sites, their compact, rugged construction delivers reliable performance in demanding environments. The FieldPro 541 consistently produces sharp, professional-quality receipts, tickets, and field sales documents, helping teams work faster, smarter, and more efficiently.

Powerful, and Compact Productivity

Designed for demanding field environments, the FieldPro 541 is smaller, lighter, and faster than competing models—combining rugged reliability with advanced features that help your mobile workforce get more done, wherever work takes them.

- Easy-to-read control face and simple drop-in paper loading.
