# Aegex100M™ Intrinsically Safe Tablet

Aegex Technologies is proud to offer its 2nd Generation intrinsically safe tablet, the Aegex100M with faster wireless services, enhanced memory, and expanded storage. Operating in the most hazardous industries with explosive environments, Aegex solutions bring real-time connectivity to help organizations harness the power of data to optimize efficiency.

The Aegex100M™ Intrinsically Safe Tablet is positioned to be the most advanced, efficient, and rugged Windows tablet, with Zone 1, Zone 0\* / CI, D1 certification in hazardous areas. Simple to deploy, it is the basis for an Industrial Internet of Things platform for hazardous industries, allowing operations to easily begin their digital transformation to Industry 4.0

## **Purpose-Built Intrinsically Safe**

Designed from the ground up to be the lightest and fastest Windows device in its class, the Aegex100M is certified for ATEX/IECEx Zone 1, Zone 0\* and in accordance with UL 913 Class I, Division 1, 2.

## **Hazardous Area Mobility**

At the center of hazardous area mobility, the
Aegex100M supports all of your operational
needs including: Maintenance, Inspections,
Workflow Management, Automation &
Process Control, MES, Diagnostics & Calibration,
HMI, Asset Management and many more.

## **Enterprise Class Solutions**

Safely and securely connect your hazardous area operations and allow your teams to share mission-critical data across the entire organization; enabling greater visibility, collaboration, decision making, and performance.

### **Certification for:**

ATEX/IECEx Zone 1, Zone 0\*

Class I, Division 1, 2

\* with Aegex Zone 0 case

- 10.1" AHVA Display
- Powered by Intel Quad-Core Atom Processor

Glacier Computer
