xTablet Flex 12C

Power and Productivity – In a Snap. The Value-Packed, *and Priced*, 2-in-1 Rugged xTablet Flex 12C

The xTablet Flex 12C from MobileDemand presents a rugged Windows tablet solution built for real-world productivity. Its detachable full QWERTY keyboard and 12.96-inch display let you switch from tablet to laptop in a snap, while 16 GB RAM, 512 GB storage, and Wi-Fi 6 keep teams connected and efficient. Durable, versatile, and ready for anything, the Flex 12C gets work done wherever work happens.

PROVEN RUGGED

With a rigid outer shell and shock absorbing rubber corner bumpers, the xTablet Flex 12C was engineered to rigorous military standards and is ready to work as hard as you do in today's most demanding environments, drop after drop.

MOUNTABLE

From forklifts and vehicles to carts and desks, the Flex 12C can be mounted nearly anywhere thanks to the included Snap Plate – a key piece in MobileDemand's patented Snap Mount System. Direct wiring kits available to guarantee continuous power supply for the device.

2-IN-1 LAPTOP

Transform the Flex 12C into a powerful 2-in-1 rugged laptop with an optional, full QWERTY keyboard and easel for easy viewing. The large, 12.96-inch tablet pairs with the fully detachable keyboard for enhanced data entry and adds additional protection when folded.

ENTERPRISE GRADE

Designed for the modern frontline worker, the Flex 12C has plenty of power needed to run your mission-critical apps and software. The Intel i3-1215U CPU pairs with WiFi 6 connectivity, 16 GB of memory and 512 GB of storage for powerful enterprise-grade performance.
